Foreword

WITH this catalog we are extending to you a cordial invitation to attend Cloverleaf Farm's annual spring sale. Nearly twenty years ago we pinned our faith to Shorthorn cattle, and nothing has occurred since to shake our confidence, either in the breed or in the business of producing them. It has been our aim from the first to maintain a herd of breeding cows of proven merit as producers of the best Shorthorn cattle. We have reached that point at last, and in this and our succeeding sales the larger part of the offering will be Cloverleaf breeding. Since our last annual sale we have had the honor of winning the Grand Champion laurels at the Illinois State Fair, the Ohio State Fair, and the International Live Stock Show at Chicago, on CLOVERLEAF ROYAL, a bull which we bred and are retaining as our chief herd sire. In perusing this catalogue we want you to note the number of cattle listed that are sired by Village Royal, the sire of Cloverleaf Royal. As we remember the Grand Champion bulls at the International Show since we have been showing, we think Cloverleaf Royal is the shortest legged and thickest bull that has been awarded this honor, and those of you who will be our guests on April 26th and can see the calves sired by him, will say that there is no question as to his being one of the leading breeding bulls of the breed.

With the sincere wish that you may find pleasure and profit in a visit to Cloverleaf Farm on sale day, we are,

Yours very truly,

W. C. ROSENBERGER & SONS.

Tiffin is 254 miles east of Chicago and 40 miles southeast of Toledo on the B. & O., Pennsylvania, and Big Four railroads. Also connections by electric cars with Nickel Plate, Hocking Valley, T. & O. C., Lake Erie & Western railroads, and the Toledo, Fostoria & Findlay electric line at Fostoria, Ohio.

W. C. Rosenberger & Sons are offering an extremely high class lot of cattle in this their annual spring sale. Over 75 per cent of the offering were bred on Cloverleaf Farm and represent the lines of breeding that have proven most successful here. One-half of the cattle listed are sired by that good breed sire Village Royal, and several of the females sired by him are now bred to the Grand Champion Cloverleaf Royal, whose breeding ability is seen in four splendid calves that will sell with their dams in this sale.

In analyzing the pedigrees in this catalog one is impressed by the fact that they are all good ones and the individual animals are all in fine condition for the sale and show that uniformity so much desired by all good breeders. Some of the heifers can go along and be fitted to show this fall and the others are in fine condition to grow into good breeding cows that will add prestige to any breeder's herd.

THOMAS D. PHILLIPS,
Field Representative,
Ohio Shorthorn Breeders Association.

Week's Sale Series

Model Mill Stock Farm, Noblesville, Ind., April 25th.

Warranty, Terms and Conditions

Proper care should be given by purchaser to protect breeding qualities and health of animals.

All bulls guaranteed breeders. A bull should not be allowed to serve when under fourteen months of age, or allowed to run with herd under twenty months.

Cows with under four months calves by side are considered proven breeders.

All other cows and heifers sold as a single lot guaranteed breeders; calves, however, sold by side of dam as one lot not guaranteed.

Heifers should not be served for first calf by heavy or old bull.

Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months.

Heifers not settled when twenty-two months old shall be promptly reported. (Heifers over sixteen months sold open, not settling within six months of date of sale should be promptly reported.)

Any animal not proving up to foregoing guarantee shall, at option of seller, be returned to W. C. Rosenberger & Sons for further trial, and upon failure to settle, be replaced with another of equal merit at the time of purchase to the satisfaction of purchaser, or purchase price refunded, with no allowance for expenses or interest on money. Salvage to go to seller.

All animals offered sold subject to a sixty-day retest.

Animals to be segregated from buyer's herd until retest is made, except herd be an accredited one.

Retest should be made by a Federal or State Veterinarian or Veterinarian deputised by State Veterinarian, who is cooperating with Federal Veterinarian and qualified to do accredited herd testing.

Certificates of registry and transfer furnished with each lot.

Shipment will be made from Cromers as soon as possible after close of sale and without trouble to the purchaser, but at buyer's risk after being bid off.

TERMS: Cash or short-time note, satisfactory to seller, at 8 per cent.
